

## **CQ CQ CQ Calling all radio amateurs.**

This is \_\_\_\_\_ calling the Quad-County Hamshack Net. This is a roundtable discussion net and meets weekly at 1900 hours on the N3QC Quad-County repeater. This is not a traffic or training net – it is a meeting on the air for every ham within range to meet with friends old and new and talk about our favorite hobby.

Tonight's Topic is: \_\_\_\_\_.

Of course you may feel free to discuss any other topic you wish!

But first, all stations please stand by for any emergency traffic.

This net follows a round-robin discussion format. We will take block check-ins to build a list. Please wait until your block is called to check in with your call, your name and your QTH. Once everyone is checked in, we will take turns according to the list, and continue until we are done for the evening.

The repeater has a three-minute time-out. Any station activating the timeout becomes a candidate for a monthly award.

This is \_\_\_\_\_ Net Control...

**Block 1** – Mobile stations

**Block 2** – QRP and distant stations

**Block 3** – Cameron County

**Block 4** – Clearfield County

**Block 5** – Elk County

**Block 6** – Jefferson County

Late Checkins will be taken after we complete the first round. Our topic tonight is \_\_\_\_\_

***[start at top of the list. After first round:]***

**Block 7** – Late or additional Checkins

***[after all checked in, they take their turns]***

We now pause for emergencies or skeds.

***[run through list again until completed]***

***[when finished:]***

This is \_\_\_\_\_ Net Control for the Quad-County Hamshack Net. We had \_\_\_\_\_ hams participating tonight, and we look forward to chatting with you again next week. Everybody is reminded the next meeting of the Quad-County ARC is \_\_\_\_\_. We all hope to see you there. Thank you for participating in the Quad-County Hamshack Net. This is \_\_\_\_\_ Net Control now returning the repeater to regular Amateur use. This net is now closed.
